Moulton College Student Success Remains Impressive

The success achieved by Moulton College students continues to be impressive. This summer over 2300 students completed long course programmes with a record 95% achieving success, and over 38% gaining passes at distinction level.

To achieve success, these students not only obtained a National Qualification, but also achieved a range of key skills and industry specific qualifications. They were also required to demonstrate their employability through experience gained during industry placements, or work undertaken alongside College staff.

Academic standards at the College continue to rise year on year and higher education students are now regularly awarded first class honours degrees – and can compete with the best in the land.

College principal Chris Moody said: "We are proud of our students' achievements and aim to provide them with the skills and qualifications valued by potential employers. Whilst increasingly important, academic qualifications alone do not provide a passport to success, it is the additional skills and personal attributes that applicants can offer a business that will get them to the head of the queue. The package we offer our students is broader than that traditionally offered by schools and colleges, and this helps motivated students to achieve that career success".

Earn Whilst You Learn and Maximise your Employment Opportunities!

In these uncertain financial times, a 'work-based' training route is one way for young people to jump the queue for the best employment opportunities.

Traditionally apprenticeships, which provide a combination of practical work-based experience and education, were thought to provide the best training for craft and technician occupations. However during the second half of the 20th Century they declined in popularity, but more recently the apprenticeship concept has regained much of its former credibility.

Apprenticeships allow trainees to develop essential skills, including life skills, whilst earning a wage. Upon successful completion, trainees may then progress to an Advanced Apprenticeship, which prepares them for independent working, a supervisory role or entry to degree programmes.

Nowadays, Apprenticeships and Advanced Apprenticeships are available in many occupational areas including accountancy, law and administration not just the traditional trades such as brickwork, carpentry and stonemasonry – providing a much wider range of 'work-based' education and training opportunities for learners of all ages.

And more recently work-based learning schemes have been extended to higher levels, with many who would traditionally have chosen a 3-year degree course opting for foundation degrees, which have a strong vocational bias.

The trend has been helped by publicity about the level of debt that a student can expect to build up whilst studying for a traditional degree, with up to £30,000 not being an uncommon prospect.

Students can study for a foundation degree, honours degree or post-graduate qualification at Moulton College on either a full-time or part-time basis. Full-time higher education courses at Moulton College are delivered over 3 days each week allowing students to take a part-time job to help out with the finances. Whilst full-time study is the traditional option, the increased burden of tuition fees, and repaying student loans, is now making the part-time route more attractive for many learners. Part-time students attend College for a day, or an afternoon and evening, each week – leaving the rest of the week for paid employment.

College principal Chris Moody said, "students recognise the improved employment prospects and earning potential that having a degree offers. However they are now much more aware of the costs of obtaining these qualifications. At Moulton we design our courses so that students can work part-time whilst studying. This has obvious financial benefits and allows them to gain the work experience, either through permanent employment with sponsored attendance at College, or through a work placement that will help them secure a permanent position once they graduate".

Whatever the level, it is little wonder that so many students are now choosing to study at their local college. For further details of apprenticeship or foundation degree courses at Moulton College ring student services on 01604 491131 or email: enquiries@moulton.ac.uk

Preparing for a career in the Equestrian Industry or taking a Route to a Degree.

Moulton College's equestrian team offer potential students the opportunity to experience a 'day in the life of a student'.

The day includes 'hands on' activities and classroom sessions, and also offers an opportunity to speak to current students about life at the College. Careers advice on the Equestrian Industry and progression routes in Further and Higher Education will also be available. Equestrian Subject Manager, Sean Maxwell, said "Not only are these courses free, they give potential students (young or mature) an insight into a day at college, and how

they can gain qualifications by indulging their passion for horses".

A First Class start to a Career in Design at Moulton

Most students choose a particular vocational course because they have a career path in mind; if the choice is design - then Moulton College offers its students a great start.

Employers in the design industry require applicants to demonstrate that they have appropriate work experience, are able to show initiative, be creative, achieve deadlines and above all have a professional attitude to their work.

At Moulton, students are provided with work experience during their courses so they can develop their practical skills, and demonstrate their employability. Students attending National Diploma in Interior Design courses complete assignments that are as close to real design briefs as possible, often involving international design studios and professional partners.

The skills set that the College's design students develop is very broad, helping them to pursue their career with confidence, no matter where in the design industry

they hope to work.

Stonemasonry Courses Help Maintain the Nation's Heritage

Stonemasonry (Banker Mason) at Moulton College has established a national reputation for the high quality of its training, whether by full time or part time courses.

The College's Stonemasonry courses attract students from all over the Country including apprentices working on prestigious buildings, such as Wells and Lincoln Cathedrals.

Students regularly make educational visits to buildings such as York Minster and the White Tower to gain an insight into the skills required to keep these magnificent buildings maintained, and restored correctly.

A successful Year for Furniture Studies

Furniture students at Moulton College have had a particularly successful year. Two aspiring furniture makers won first and second place in the regional heat of the SkillBuild cabinet making competition, with one going forward to the national final in Wales in September.

Moulton student Will Church has been recommended for a City & Guilds Medal of Excellence, having made 6 exquisite chairs and a carver, which were designed by continually altering a full size mock up, until the details were perfected.

Will is progressing to an apprenticeship at the Edward Bamsey workshop, reputedly the best practical training in the country, where they learn how to achieve the highest level of skill and make one-off pieces for private homes and public spaces. There is international competition for the Bamsey apprenticeships, with ten applications for every place.

College students also entered the Fine Crafted Wood competition for trainee furniture designer and makers, organised by the New Forest Trust. Oliver Garolalo, a part time student at Moulton won The People's Choice prize, and a cheque for £500, for a cabinet he designed and made at College. Over 10,000 people voted for their favourite pieces in the competition, which included entries from students at both universities and colleges.

In a class of its own! 90 Years of former Moulton College students!

Since its launch in September 2009, the Alumni Association has received an overwhelming response from former students keen and eager to be in touch with 'their' College.

Letters, telephone calls and emails arrive daily with questions on membership, information, networking opportunities and reunion support with some former students even making generous donations to the alumni fund.

The Moulton experience is unique and the College's students, some dating back as far as 1921, are delighted to have the Alumni as the conduit for becoming reunited with their former classmates, being kept up to date with College developments, and for accessing a range of alumni events. The alumni community is growing rapidly and with many former students travelling across the globe to pursue their careers, membership is worldwide!

If you are a former student, the College wants to hear from you! The 'in-touch' newsletter regularly features profiles on former students, celebrating their successes, providing inspiration for others, and showcasing what can be achieved with the skills and qualifications gained at Moulton.

Already an 'outstanding' college, Moulton is becoming increasingly innovative through its extensive partnerships with both industry and the community. Its former students are playing their part in this change. Many are not so much 'ex-Moulton' but still very much involved and the College wants as many former students as possible to remain part of its future. Membership is free and is open to all students who have successfully completed a full or part-time course of at least 26 weeks at the College.

For more information, to join and to receive the 'in-touch' newsletter contact Zola Mallett at the Alumni Office, Moulton College, Moulton, Northampton NN3 7PR. Email: alumni@moulton.ac.uk, telephone 01604 491131 www.moulton.ac.uk/alumni

New Cricket Academy at Moulton College!

A new cricket academy starts this month with the first cohort of students joining the College's latest sports academy run in partnership with Northants County Cricket Club.

For the first time students will also be able to study for a combination of 'A' levels and BTEC qualifications whilst being part of the academy. The 'A' level offer is available through a unique link with Northamptonshire Grammar and Bishop Stopford schools. Students will receive professional cricket coaching from David Ripley and Phil Rowe at the County Cricket Club's purpose built facilities throughout the winter, before the fixtures begin next spring.

Director of Sport, Lee Howarth said, "This is a fantastic course for youngsters who are interested in improving their cricketing skills – it will provide them with high level coaching, as well as qualifications that are recognised by employers and universities."

The cricket academy is a new addition to the portfolio of basketball, rugby, football, hockey, golf and dressage academies, all of which operate in partnership with professional partners or coaches. Moulton is building a very strong reputation as the place to study if you wish to pursue a career in the sports industry or gain academic qualifications whilst receiving professional coaching in a specific sport.

From 2011 the College will offer a boxing academy in partnership with the Amateur Boxing Association, and is also hoping to offer programmes in partnership with Northamptonshire Trampoline Gymnastics Academy.

Wall and Floor Tiling

Moulton is the only College in Northamptonshire to offer both full time and part time Wall and Floor Tiling courses that lead to nationally recognised qualifications.

This provides a unique opportunity to obtain a specialist trade qualification that is much in demand.

The College recently hosted the East of England 'Skill Build' regional finals, with Moulton competitor Darren Vaughan achieving 3rd place by laying a floor to a very demanding specification.

Darren said of his course "it prepared me for a job in the industry and put me in a better position to gain employment. Since being on the course and competing at Skill Build I have started working in the tiling industry for a local company, and now am working towards completing my Diploma."

A number of places on both full time and part time Wall and Floor Tiling courses are still available for September 2010. The Courses are delivered at the College's East Northants Vocational Skills Academy, which is located on the outskirts of Higham Ferrers. The Academy, which was purpose built and opened in 2006 also offers courses in Brickwork, Plumbing, Carpentry, Animal Management and Horticulture.

To book your place on a course call Student Services on 01604 491131, email: enquiries@moulton.ac.uk or visit www.moulton.ac.uk

Supporting success

Starting a new course can be a daunting prospect for students with specific needs, but Moulton College offers students a wide range of support to help them succeed with their studies. Each student has a needs assessment at the start of their course and where appropriate they are then offered individually tailored support. Emphasising the drive for success Senior Tutor, Bridget Walsh, said: "in this way each student understands that their personal progress and achievement is a matter of great importance to the College".

Modern, well-equipped Learning Resource Centres on all the College sites help students to achieve the highest possible grades. Thousands of books, magazines, DVDs and online materials are available to support courses at all levels. Head of Learning Resources, Karen Kelly, who is keen to make learning resources accessible to all said "we provide

specialist equipment such as magnifiers, coloured overlays, e - b o o k readers and assistive software. Qualified librarians teach students how to find their way around the library shelves and websites to find the information they need, and Learning Advisors help students to make the most of the fantastic IT facilities we have in the Centres".

The range of support available to Moulton College students means that learning difficulties and disabilities are no longer a barrier to success.

Commercial Training at Moulton's Management Centre

Whether wanting to renew or enhance the qualifications of their staff, or arrange a conference or meeting, the Services to Business team at the Moulton College Management Centre can help. The peaceful rural setting, at the heart of the College's 1200-acre estate, provides an ideal training environment, free from everyday distractions

There is a variety of courses on offer to both individuals and employers, ranging from Health and Safety to Chainsaw, Forklift or Dumper Truck Training. As well as the wide range of accredited

courses, bespoke training solutions can be arranged to suit the needs of individual businesses, and training can often be delivered on employers' premises.

The Services to Business team can also help with requirements for meetings and conference facilities. The Management Centre boasts 6 seminar rooms for up to 50 delegates, with full catering facilities available.

Please call the Services to Business team to discuss your requirements on 01604 491131.

IT'S NOT JUST CLIMBING TREES

Moulton College's arboriculture students have always enjoyed working towards qualifications that are well regarded and respected in the arboricultural industry.

Past learners have built on these experiences and most have remained within the industry working for successful tree companies.

Learners benefit from excellent practical and theory teaching and full time students also carry out

extensive work experience. Additionally learners usually go on a study tour where they work and learn in a commercial setting.

Moulton students provided evidence of the quality of the teaching and learning by winning the national 'Tree Climbing Competitions' in both 2009 and 2010 with Moulton students winning every important category: the female title, the male title, the team title and a number of preliminary events.

The college offers a full range of tree related

courses ranging from one day courses such as 'Chainsaws for Home Users', to the weekly Level 2 Royal Forestry Society (RFS) evening class, and the part time Foundation Degree in Arboriculture. A wide range of full-time courses are on offer from level 2 to honours degree level.

Arboriculture student numbers have grown so much in recent years recent years, that from September the College will offer additional courses at the South Northants Vocational Skills Academy at Silverstone. This will provide a local college facility in the South Northamptonshire area offering a comparable choice of resources and opportunities.

Full time students work towards a primary BTEC qualification, but are also offered the opportunity to complete additional certificates such as first aid, manual handling, and health and safety, together with specific NPTC tree work qualifications for chainsaws, brushwood chippers and stump grinders, all of which help successful students to gain employment.

The wide portfolio of qualifications and work experience gained by Moulton's students enables them to gain a head start in the job market.

Growing a career in Horticulture

Moulton College's Foundation Degree in Horticulture is popular both with school leavers and with individuals seeking a career change to a rewarding and fulfilling profession.

Successful students obtain employment in many sectors of horticulture, including management positions and some even decide to start their own businesses.

The course includes lectures, hands on activities, demonstrations and visits ensuring that students develop excellent practical skills as well as theoretical knowledge.

At this year's Gardener's World Live Show at the NEC in Birmingham, the gardens designed by Moulton students won several RHS medals. First year student Emma Hall was particularly pleased to secure the prestigious 'Best in Show' award for her garden 'Battle for the Bees', which she designed and built as part of her Foundation Degree course.

In 2010 the Moulton's horticulture staff will be joined by two researchers working towards doctorates in horticultural science at the college. The College and the horticulture industry are

investing in the graduates, by funding their progression to PhD level, with the aim that they will then take up leading roles within the industry in the UK.

Limited places for 2010 are still available on the Horticulture Foundation Degree programme at Moulton College.

Saints and NBC lock horns over expansion

BY JONATHAN REILLY
jonathandreilly@hpnorthants.co.uk

A SLANGING match has broken out between Northampton Saints and Northampton Borough Council over plans to build a new stand at Franklin's Gardens.

Saints chairman, Keith Barwell, stated last week that there is a chance the rugby team will play some of their bigger matches away from Northampton in Milton Keynes.

The Saints already have Stadium:MK registered as their second ground for quarter final matches of the Heineken Cup which are required to be played at stadiums with more than a 15,000 capacity. Franklin's Gardens currently holds 13,498.

The club want to build the new north stand that would increase the capacity to just over 17,000. The club has partnered with Asda who would construct a supermarket on Saints' ground as a way to finance the deal.

However, the club has accused the Borough Council of stalling the plans because they feel a supermarket at the ground would divert people away from the town centre.

However, deputy leader of the borough council, Paul Varnsvery, has hit back at these accusations. In a statement on the Liberal Democrats' website he said: "The line which Keith Barwell, chairman of the Saints, is choosing to promote is that Northampton Borough Council is obstructing the Saints' plans.

The rugby club's Franklin's Gardens home

"This is untrue. It has been made clear to the Saints' representatives that the council wishes to see the team prosper and supports its ambitions for extra ground capacity.

"My colleague, Councillor David Perkins,

portfolio holder for finance, and I have met with Saints representatives - including Mr Barwell - and made this clear.

"My only concern is that match day parking issues across the St James area must be consid-

ered as part of the development proposals for the ground.

"The Saints can submit a planning application for the new stand whenever they wish. Presently, this would likely to be determined by West Northamptonshire Development Corporation, rather than the borough council's planning committee.

"Keith Barwell is threatening to move the Saints to Milton Keynes if the stadium is not expanded. The Saints will only move to MK if that is what Keith Barwell plans to do - not because of any policy of the borough council.

"Keith Barwell has been talking about submitting an application for the Franklin's Gardens expansion for over a year. Perhaps it is time he just got on with it and made the application."

A Saints spokesperson said: "The proposed plan is not just about putting up a new stand to serve the here and now. We are mindful of creating a lasting legacy for the club both on and off the field.

"The stance that the Liberal Democrat leadership of the borough council continues to take is forcing us down the road of either taking on a massive amount of debt that may threaten the future of the club or moving the Saints out of Northampton.

"The former is not good for a number of reasons, especially because it would mean that revenues from the new stand would have to be

Tories slammed for rise in adult services prices

BY JONATHAN REILLY
jonathan.reilly@hpnorthants.co.uk

NORTHAMPTONSHIRE County Council has come under fire from the Liberal Democrats after increasing the costs of adult social services.

The county council budget needs to find an extra £600,000 income from charging for services while making £500,000 in savings in services such as social care transportation.

One of the services to increase in price is Meals on Wheels that brings food to the homes of the elderly and those in need. Customers currently pay £2.91 per meal but that is now likely to increase to £6.26.

The council has also stated that transport service charges are to increase by a flat rate of £3 per day per customer, whereas before the cost was only £1.

Liberal Democrat opposition leader at the county council, Brendan Glynane (pictured right), said: "These increases are an attack on the most vulnerable citizens in our county. Northamptonshire Conservatives seem hell-bent on making the poorest foot the bill for their financial mismanagement."

"For people on fixed incomes,

increases of 15 per cent will be unaffordable. This will lead to fewer people taking up the services, meaning that vulnerable people will be without vital support.

"Some increases are eye-watering. Transport costs will go up from £1 a day to £4, an astonishing 300 per cent increase, meaning that vulnerable people will be trapped and isolated in their homes and will not be able to go to their day care centres as much as they can now.

"The idea of charging the full fee of £6.26 to new people signing up to Meals on Wheels will mean that hardly anyone will take up the service. It would be cheaper to go the pub. This will mean the decline of the service and potentially the end of Meals on Wheels.

"The irony of all this is that the Conservatives will not even get the cash they are expecting, as they don't appear to have made any calculation of how many people will drop off the service because it is too expensive.

"It appears that the Northamptonshire Conservatives are still the nasty party."

The council will debate these issues at the cabinet meeting on September 14.

Authorities under fire for subsidising trade unions

LOCAL authorities in Northamptonshire have been criticised for subsidising trade unions with taxpayers' money to the tune of £200,000.

The Taxpayers' Alliance has criticised local authorities for spending the money on Unions, when the cash could be better spent elsewhere.

Figures released under the Freedom of Information Act, reveal that Northampton Borough Council gave £81,251 to Unison and GMB unions.

Northamptonshire County Council paid £54,167 to Unison, £18,959 to the National Union of Teachers (NUT), and £10,833 to the National Association of Schoolmasters Union of Women Teachers (NASUWT).

They also paid £13,542 to the Secretary

of the Joint Trade Union Group. Northamptonshire Healthcare NHS Trust (Mental Health) also paid Unison £27,084. Altogether Unison received £162,502 from the local authorities.

Matthew Sinclair, director of the TaxPayers' Alliance, said: "Trade unions are lining up to fight vital cuts in public spending and threatening strikes that could cause massive disruption for ordinary families."

"By financing their other work, like representing and recruiting members, taxpayers' money frees up union funds for political contributions and expensive campaigns. If big, rich, public sector unions are going to take an active political role, there is no way they should be getting taxpayers' money."

Planning authority faces axe

Minister says unelected WNDC will be shut down

BY JONATHAN REILLY
jonathan.reilly@hpnorthants.co.uk

CONTROVERSIAL planning agency the West Northamptonshire Development Corporation (WNDC) will be shut down and will start handing back powers to local authorities in the coming months.

WNDC has held planning powers for projects in Northampton, Daventry and Towcester but following a Government review will be closed.

The closure was announced last week by Bob Neils, Government minister for communities and local government, after he was invited to the town by Brian Binley, MP for Northampton South.

Mr Binley believes that handing back planning powers to local people can only be a good thing.

He said: "I am delighted at the way that this has moved on and WNDC is finally being closed down."

"However there is still a lot of expertise based there that is not currently available at the Guildhall and we need to find a way to use their knowledge and transfer it."

"I'm pleased to say that the plan for 18,000 new homes is dead and will not be going ahead."

"These homes will not be built on greenfield sites and because we recognise the need for new housing we will be focusing on the development of brownfield areas."

"The redevelopment of Ransom Road will now take place and shows how we are committed to creating wealth in the town. Projects like this will create new jobs and encourage new business in the town."

Andrea Leadsom, MP for South Northamptonshire, said: "Bob Neil's announce-

ment, during his visit to Northampton last week, that WNDC is going to be scrapped is great. My mail has been full of letters from furious residents asking how an unelected body can be determining the future of their community."

"The scrapping of WNDC is bringing local democracy back to Northamptonshire."

A date has not yet been set for complete closure but in the meantime WNDC will hand back some of its powers to Northampton Borough Council, providing they approve it at a cabinet meeting next week. From April 2011, plans of up to 199 units will be decided by NBC.

WNDC chief executive, Peter Mawson, said: "These changes will help us focus our resources where they're needed most and support the local authorities to deliver new jobs, homes and investment for local people."

"We asked for these changes in 2009 and are pleased that the process is moving forward."

"We will ensure that the transfer is carefully managed so it does not have a negative impact on the local planning service"

Councillor Richard Church, Northampton Borough Council's cabinet member for planning and regeneration said: "Decisions about the future of our town need to be in the hands of locally elected councils."

"Over the next few months we will be working closely with WNDC to make this change as smooth as possible."

"Northampton Borough Council will continue to work with WNDC to support major developments, particularly in our town centre, that will make Northampton a great place to live, work and enjoy."

Pushy Salesmen? Not With Cloudy2Clear!

Cloudy2Clear Windows, the Northampton based window repair company, are revolutionising how homeowners view double glazing in our area. The company which specialises in repairing windows which are steamed up, broken or damaged by replacing the panes – not the frames has grown rapidly as customers take advantage of their services.

Managing Director Trevor Skidmore, is convinced that much of his success is down to the fact that he employs tradesmen, not salesmen. 'If you think about it, who wants to deal with the dreaded double glazing salesman?

The thought of going through the whole tedious process of haggling with someone who arrives at 7 at night and then camps themselves in your house until midnight is not one most people find attractive. A lot of our customers are elderly and can feel very pressurised by sales tactics. We set out from day one to be very different.'

Trevor makes very sure his customers are looked after right from the first time Cloudy2Clear arrive at the house. 'All our staff arrive in uniforms so the customer knows who they are and I insist that they wear plastic overshoes to protect the customers carpets. We then measure the

windows that have a problem and price the job up there and then, which usually takes around 15 minutes. If the customer wants the job done we'll arrange installation but if they want to call us back later that's fine. What I don't want to hear from any of my customers is that they felt pushed into anything. It's just not our style.

We're trying to give the glazing industry a reputable face and the evidence of my order book tells me my customers like our approach.'

So, if your windows are steamed up, broken or damaged give Trevor a call for a free quotation on 0800 61 21 118 and he'll be more than happy to help!

repaid to banks rather than being invested into the playing department and community work that the club does.

"The latter would mean taking the Saints away from the town it has been a part of for over 130 years."

"We want to do neither of these things but we are also

not scared of making the tough decisions if we need to."

"Up and down the country local councils are assisting their professional sports clubs by allowing planning processes to run their course without political interference."

"That is what we are wanting in Northampton."

Why we must fight these changes to our health system

THE Government has launched an ideological attack on the NHS.

Primary Care Trusts and Strategic Health Authorities will go.

Groups of GPs will be handed the NHS budget to contract healthcare services for their patients from "any willing provider", including the private sector. As many NHS services as possible will be privatised.

All organisations such as Mental Health Trusts, Ambulance Trusts and hospitals will have to become Foundation Trusts and compete for business against other service providers.

Hospitals will be free to offer priority care to patients who can afford to pay a return to wealth based healthcare.

GPs have neither the expertise nor time to com-

mission services, so will be forced to pay private companies to do this for them.

Taxpayers' money will generate profits for shareholders and pay for the plethora of people needed to negotiate and manage contracts.

For patients like me, a competition model is very worrying. Will my consortium wish to pay for the best treatment for me?

Will the local hospital be able to provide it?

Hospital finances rely on balancing cheaper with more expensive treatments, but the cheaper, easier procedures will be cherry-picked by private companies.

Apparently if any consortium or hospital goes bust, it won't be bailed out. What happens to us patients?

Staff will find their national pay and condi-

tions are undermined. The quality of services will decline in the rush for profits.

These proposals are on top of the £20 billion of 'efficiency cuts' which have to be made by 2104/5 and which will cut front-line services.

All of us who used to work for the NHS need to oppose the new proposals right now.

The Government is pushing these proposals through without any consultation about whether we want them or not, only on how they will be implemented. Please write to your doctor, your consultant and your MP, making plain your opposition and sign the petition at <http://www.nhscampaign.org>

Hospital heroes are deserving of praise

THIS is a tribute to a remarkable man! No, not a vain, overrated premier league, so called celebrity soccer player, on £120,000 a week; but Adam, a paramedic, a very modest man, worth every ounce of his weight in gold, who undoubtedly saved my life.

This unsung hero was first on the scene, within five minutes of my 999 call, early on Sunday morning to carry out the initial first aid work, before Rachel's brilliant three ladies ambulance crew arrived to whisk me off to NGH.

I left Adam to set the burglar alarm and lock up, he then handed my house keys to me in A&E, as if nothing had happened. What a star!

Dr Russell then administered a clot busting drug, lead nurses Des and Michel, together with another specialist doctor, completed the procedure, to stave off a heart attack.

The co-ordination that followed, arranged by the team of consultants was absolutely first rate.

An angiogram in the new Heart Centre, then a myocardial perfusion test were carried out on consecutive days, to diagnose the problem, so that I could be discharged within four days from Dryden Ward. Its staff of real professionals, from the

Polish domestic cleaner, the food trolley lady, the super caring nurses, right through to most senior doctor were superb. More intense treatment will be given at John Radcliffe Hospital Oxford later this month.

I do however reluctantly need to ask this pertinent question.

Why is the angiogram testing department closed at weekends and bank holidays in the Heart Centre at NGH?

This situation increased my hospital stay by two days, I took up precious bed space and in more critical circumstances the outcome could have been extremely serious. I cannot understand why this situation exists when so many additional £billions was pumped into the NHS by New Labour.

Perhaps if some local overpaid managers, part of the 48,000 now employed nationally, promoted by the previous Government were dismissed, maybe a full patient, seven-day service could then be provided.

I think this to be the answer! PM Mr Cameron, secretary of state for health, please note!

Apart from that, a very sincere thank to you all at NGH, from the bottom of my heart, especially Adam!

Vouchers will help to redevelop our hall

WAPPENHAM Village Hall would like to thank Waitrose and its customers for their 'green tokens' which meant Waitrose gave £206 towards their funds to redevelop the hall.

Andy of Waitrose gave the cheque to Tina Jones of Wappenham Village Hall Committee.

The committee's first target is to enlarge the kitchen, it only allows one person at a time to cook there.

The hall is a listed building as it was designed (as a school) by the famous architect Sir Gilbert Scott, who was brought up in Wappenham.

It's worth getting your walking shoes on

I AM writing to let your readers know that there is now strong scientific evidence that being regularly physically active reduces your risk of developing cancer later in life.

One of the easiest ways to be physically active is walking. As well as being something that most people can do without any preparation, you do not need any special equipment to do it.

This is why we at World Cancer Research Fund (WCRF) have launched our Walking Together campaign, which involves people supporting us by organising sponsored walks for family and friends.

The money raised will help us continue funding cancer prevention research and

raising awareness that people can reduce their risk of cancer by eating healthily, being physically active and maintaining a healthy weight.

But we also hope it will encourage people to get into the habit of walking, both as a hobby and also as part of their daily lives.

To find out more information about the Walking Together campaign, email events@wcrf.org or call 020 7343 4205.

You can also visit our website at www.wcrf-uk.org/walk to find out more information, register your event and download lots of free resources.

Professor to play it safe in new role

Professor Nick Petford

BY JONATHAN REILLY
jonathan.reilly@northants.co.uk

THE new vice chancellor of the University of Northampton won't be taking risks with the institution's finances, despite having a daredevil past.

Professor Nick Petford, an expert in volcanoes, has long put himself in dangerous situations as he travelled around the world to study them.

This included going to Iceland in April to film a documentary about the ash cloud from the Eyjafjallajökull Volcano.

Professor Petford said: "In those situations, I put myself at great risk, not just being on the side of an active volcano but in getting to some remote and dangerous parts of the world.

"Whilst I have undertaken several risks in my academic world, I certainly won't be taking big corporate risks with the company."

The ability to deal with high pressure situations will certainly help Professor Petford in his new role, as he expects large Government budget

cuts in the next few months. Professor Petford said: "I think of the large funding cuts of 35 per cent.

"With Lord Browne's fees review under way there is more uncertainty as to how this will affect us.

"There is also a review into visa requirements for international students, which is another way that we can generate funds.

"I think we will find out next month where we stand with our Government funding. However, people need to realise that it is only about 50 per cent of all of our funding that comes from Government and the other half is from our research and consultations."

Although the Professor realises there are tough times ahead, he still hopes to maintain strong community ties between the university and the surrounding area.

Professor Petford added: "I hope to develop strong ties with the local community, both by attracting students from the local area and working with other organisations to help the development of the region."

Town to have toaster at hand for art

A TOAST painting event will take place today in Towcester to celebrate the opening of a new coffee shop.

'Toast' artist Nathan Wyburn will attempt to paint celebrity portraits, including local Northamptonshire residents Alan Carr and Rowan Atkinson, on more than 700 slices of toast covering the new Costa Coffee

store in the town. Wyburn paints the toast one slice at a time with marmite and puts them together to create his art.

Videos of his work can be viewed on internet video site Youtube.

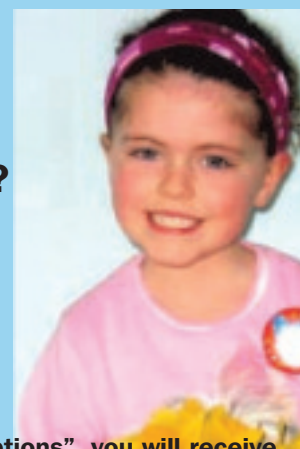

He will also produce giant portraits of the nation's celebrities such as Cheryl Cole, David Beckham and Stephen Fry.

Amount and type of varies across county

FIGURES revealed to the Herald & Post under the Freedom of Information Act show the huge gulf in crime between certain areas in the county.

The statistics examine the types of crimes committed in the wards of Northampton Borough Council (NBC) and South Northamptonshire Council (SNC).

Castle Ward, part of the centre of Northampton, recorded 4,201 crimes in 2009/2010. In contrast, just 11 miles down the road, villages in the Kingthorne Ward, in South Northants, recorded just 22 crimes in the same year.

In fact, the contrast is so great that crime recorded in Castle Ward is four times the yearly crime statistics of Kingthorne.

Castle Ward had 190 drug

CRIME figures released to the Herald & Post by Northamptonshire Police shows a huge contrast with the amount crime being committed in different areas around the county.

JONATHAN REILLY takes a look at the statistics.

offences, 77 robberies, 90 cars stolen and 1,087 cases of violence. Kingthorne had three drug incidents, five cars stolen and was the only ward out of Northampton Borough Council and South Northamptonshire Council not to have a single case of violence in the year.

Although the geography, population and culture is very different in both areas, it has to be ques-

tioned how one area in the same county can have such a difference to another.

Cllr Tony Clarke (*pictured right*), who represents the Castle Ward, feels the police statistics give an unfair view of his area.

He said: "Some times these statistics don't paint a true picture. Life for the majority of the residents in Castle Ward has got a lot better for people on the estate."

"A lot of the robberies, drugs, sexual offences and violence in the ward happen on a Friday and Saturday night and that gives us a false impression."

"I'd like to see the police take out the town centre stats from Castle Ward's figures, to show a more accurate crime picture."

Cllr Clarke also feels that the town centre wards have come a long way in the last few years to improve the lives of local residents, tackling issues such as drugs and prostitution head on.

crime areas

He said: "We know we have our problems - prostitution is one thing we have tackled in the last five years. We used to have over 200 working girls in our ward but now have around five."

"Our SET Sergeant Rod Williams is doing a wonderful job and is proving to be very popular in the area. There has been a number of drug raids and a crack house closed down."

The quiet villages of SNC show nationally below average crime rates, with only 3,381 crimes recorded in the whole district still 900 fewer than Castle Ward in Northampton.

Local Cllr Tony Wilkinson believes that the low crime rate is down to the type of people who live in the villages he represents.

Cllr Wilkinson said: "I think it is down to the attitude of the residents in my ward who are all peaceful people. I think this trickles down to the young people who do not cause any trouble and we are trying to get more sports facilities to keep it that way. As you can imagine I am very pleased to hear that we have so little crime in our villages."

When Choosing a Funeral Director...

The main questions you will have is how will I know which one is right for me?

Who is capable of providing the advice and support I need?

Who understands my needs to make this a personal service for my loved one?

And who will give me the confidence of knowing my loved one is in safe hands?

You can be assured that we offer the individual care and support that only an independent funeral director can offer. We have both the commitment and experience to ensure that you and your loved one are indeed in safe hands.

Five arrested after third cabbie robbed

BY JONATHAN REILLY

jonathan.reilly@hpnorthants.co.uk

POLICE are appealing for witnesses after a series of serious attacks and robberies on taxi and private hire drivers in Northampton in the past few weeks, which left one man needing treatment for knife wounds.

At least three separate attacks have occurred on cabbies in and around the town.

Companies are being given advice by the police in relation to these attacks and patrols have been stepped up in the Abington area where the robberies have taken place.

The first happened on Birchfield Road, Northampton at around 11.30pm on Bank Holiday Monday.

The driver was grabbed around the neck from behind, by a man and a woman, and told to hand over his money.

The man is described as white, aged 26-28, 5ft 9 ins tall and of medium build. The woman is white, possibly named Sophie, and is aged around 18-22, 5ft 5ins tall and of thin build with straight black shoulder-length hair.

The second robbery took place on Ashburnham Road, between 9.50pm and 10pm on Tuesday, August 31 and is being linked with the first attack.

Three women had booked a car and gave the cabbie instructions to go to

Police handing out SmartWater packs to cab drivers

Ashburnham Road, when they attacked the driver with a knife against his throat demanding he hand over money.

The women were unable to take any money and the driver was treated for his injuries in hospital.

All the women are white and aged in their late teens - one is skinny with light blonde shoulder-length hair, one has black shoulder-length hair and the third woman is slim with black hair.

Three men and two boys were arrested after another robbery in the Kings Heath area during the early hours of September 4.

The driver was threatened with a knife by a group of five offenders and cash was stolen from the vehicle.

An 18-year-old man from Kings Heath

was subsequently charged in connection with the robbery.

Two men from Northampton - aged 20 and 18, the latter also from Kings Heath - received a caution.

Two boys - aged 17 and 16 - were issued with reprimands.

Police have also been handing out packs of SmartWater to firms in the town to help protect sat navs and other equipment that is easily removable.

Sector Coordinator Mark Buttery said: "We maintain close links with our taxi and private hire vehicle drivers and attend regular meetings.

"Many of the drivers felt SmartWater would be beneficial to them as they said the often felt vulnerable to vehicle crime."

Nenoor. . . as police give youth crime info

BY JONATHAN REILLY

jonathan.reilly@hpnorthants.co.uk

A GROUP of young people has come up with the name of a new police site where they can get information about crime, policing and related topics.

Northamptonshire Police has created nenoor.co.uk in response to feedback from young people, who say they want information about issues that affect them, in a way that is accessible and relevant.

The wittily-named site was chosen by the members of the Children and Young Peoples' Partnership Shadow Board and includes information about staying safe and how not to become a victim of crime, information on drugs and alcohol misuse.

The website also has a unique 'day in the life' feature, which already allows web viewers to read about the inner workings of the role of a sergeant on Nightsafe duty, a PCSO and a Method of Entry Trained Officer.

Young people had the chance to shape the content of the new site through a recent survey conducted by Northamptonshire Police Authority, in which 25 schools and more than 5,000 school pupils took part.

The site went live last month and will be developed further as an informative and interactive place where young people can find out all kinds of information about policing, crime and related topics.

Denise Langford, senior marketing officer, said: "In developing the site we spoke to 5,000 young people and three quarters said they would use a website to gain information about what the police do.

"We were aware that there are already several sites out there for young people, so we want to make sure that it is different. The young people said they wanted videos, police information, careers advice and games on the site, although the latter will be part of its long term development."

"nenoor.co.uk is not only unique for us because it is designed and targeted at young people, but also because young people have been involved in coming up with ideas for it, suggesting changes and most of all coming up with the name!"

Volunteers mark ten years of offering support

BRITISH Red Cross fire and emergency support service (FESS) volunteers will celebrate their ten-year partnership with Northamptonshire Fire and Rescue Service tomorrow. The 20 trained volunteers

provide practical help and emotional support to vulnerable people affected by house fires or similar incidents in the county.

The team run the service every day for 24 hours and have responded to 655 incidents and

helped more than 2,800 people over the last five years. FESS manager Pauline Mahon said: "The most important service the volunteers offer is emotional support to those who have gone through a terrible experience."

Keith relives Cobblers' 1958 Liverpool clash

BY JONATHAN REILLY
jonathan.reilly@hpnorthants.co.uk

FANS of the Cobblers are starting to feel the nerves as the big Carling Cup match against Premier League Liverpool approaches.

Supporters will be hoping for a better result than the last time the two clubs met - a 5-0 defeat at Anfield in the 1958 FA Cup.

One man in particular remembers that day. Keith Allen, 78, has been a Cobblers fan all his life, and 52 years ago made the journey to Merseyside.

Mr Allen, from Kingsthorpe, said: "I was at the game in 1958 and at the time my father worked for the railways.

"He was part of the group

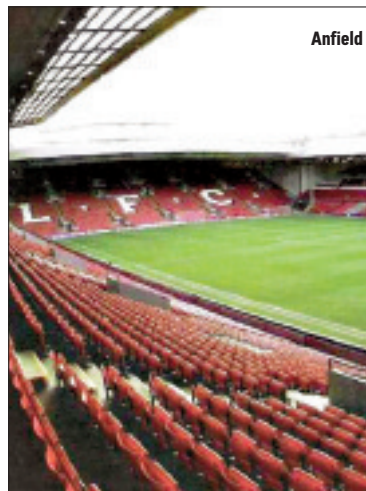

that arranged for eight trains to take all the fans to Liverpool. Even the Cobblers team was sitting in the first carriage on the first train.

"Each train was packed with fans but not a single light bulb was broken, that was how good natured the trip was.

"We went up with my mother and father and even though we lost, it was a great day out."

Northampton Town play Liverpool on Wednesday, September 22 at Anfield but Mr Allen isn't sure if he will attend.

"I don't get to as many games these days but if I don't go, I will certainly be cheering them on whilst watching them on the television."

Antique and modern jewellery especially sought

Does your loft hide a small fortune?

Antiques Valuation Roadshow returns to Northampton.

One of the longest running programmes on television is "The Antiques Roadshow" where items - sometime long forgotten, or little understood - are valued and the owners given some history and explanation of the piece. Often owners are delighted at the worth of something that might well have been hidden away for years and not been given a second thought for a generation.

Specialist valuers, Kensington Antiques of London, regularly stage Valuation Roadshows throughout England, giving householders the incentive to bring all manner of items for a free assessment - and an immediate cash settlement for those who wish to sell.

This visit to Northampton will offer a timely opportunity to check out those nooks and crannies where you may have some item of value.

In almost every home there is a dark corner or a loft where some neglected piece lies - someone's collectible that can be turned into a cash windfall.

Rising insurance costs - and regrettably an upsurge in the crime rate - has led to many items of value to be hidden away from view. Jewellery may not seem as fashionable, old pictures have lost their appeal. However they retain an attraction for the specialist collector.

Kensington Antiques have been staging Valuation Roadshows throughout England for years and have many stories to tell of the surprised delight that their experts can bring to visitors.

One recent story is of a retired couple who brought a box of bits and pieces to a Roadshow. The box had been left to the couple by an elderly relative and they thought that the small collection of oddments might realise perhaps £100. Imagine

their astonishment when they came away from the Roadshow having sold their "trinkets" for over £2500!

Experiences like this are quite commonplace and the Northampton Roadshow will no doubt be the scene of similarly happy events. So search through those lofts and cupboards and bring your hidden treasures to the Roadshow where Kensington's specialist valuers will be ready to give you an appraisal free of charge. No appointment is necessary.

The Lime Trees Hotel is a venue that is easy to find, situated at 8 Langham Place, Barrack Road (A508) Northampton NN2 6AA. Car parking is available.

STOP PRESS

Choose your lucky day.

For THREE DAYS ONLY you have the chance to see if you have unwittingly been sitting on a fortune. There's never been a better time to search through your attic, boxes and drawers - perhaps time to take a second look at some half forgotten old painting.

Have a search now and if you have any unusual items, it could be your lucky day. Take anything old or interesting to the Antiques Valuation Roadshow and you will have the chance to turn your finds into cash.

At the Roadshow you can receive free valuations and sell - for cash - all sorts of collectibles, including diamonds and gem set jewellery, old watches, watercolours, oil paintings and oriental items. In fact many items that may have lost their appeal for you but might be of great interest to a specialist.

MEDALS & MILITARY MEMORABILIA ALWAYS WANTED

FREE VALUATION

YOUR ASSISTANCE can help make this unusual event a success. With its free valuation service and no obligation to sell, there's nothing to lose and much to gain. Who knows what the Northampton Roadshow will reveal. Bring along items such as broken rings, wristwatches, old chains, pocket watches, old silver and plate, diamond and gem set jewellery (even with stones missing). There is also a great interest in old pictures, objects d'art, old fountain pens, coins, medals, oriental ivories, ceramics and old costume jewellery - in fact most items that are old or interesting.

Our buyers require stock for collectors and overseas customers and will offer instant cash settlements on any item they buy. No matter how large or small your find, you will be pleasantly surprised by their cash offer. Remember, the Roadshow is here for three days only from 10am till 4pm. **MONDAY 13th, TUESDAY 14th & WEDNESDAY 15th SEPTEMBER**

Rachelle buries personal traumas to help others

BY JONATHAN REILLY

jonathanreilly@hpnorthants.co.uk

A YOUNG woman from Northampton has been nominated for an award for her community work while dealing with the deaths of three of her relatives.

In the space of four years, Rachelle Harrison, 21, from Duston, has had to deal with the deaths of her cousin, sister and dad.

The deaths happened when Rachelle was studying for her A-levels and taking her first year of exams at university, but despite her grief she has been able to help others.

In January 2003, Rachelle's cousin Letisha Shakespeare was one of two innocent girls gunned down in Birmingham by gang members. Being a close extended family this had a big impact on Rachelle and was to mark the beginning of some difficult times ahead.

Less than a year later, her dad Rupert died of a heart attack while she was studying for her A-levels at Northampton's Moulton School.

During her first year of university, her older sister Samantha died of an asthma attack at the age of 27.

Despite her personal tragedies, Rachelle's commitment to her

Rachelle Harrison

local church and community has seen her nominated for a Northamptonshire Police Young People of the Year award (YOPEY).

She was put forward by Reverend Donovan Allen of the New Testament Church of God in College Street, Northampton, where Rachelle helps to run the church's 703 youth clubs.

Rev Allen said: "Rachelle is one of the key members in our praise

and worship team and has been a vital part of our church.

"Her continued support to not only church but individuals in the community, despite her early personal traumas and a busy life at university, is an example to all.

"She is an excellent role model to other young people showing them what an individual can achieve with time and effort."

Rachelle said: "Growing up, I was lucky enough to have a good background. If I didn't I wouldn't be the person I am today.

"When I see young people today some of them have nothing to do and no-one to turn to for help and support which is what I hope I can offer them.

"My church has helped me through so many things and I want to repay everyone for the support they offered me."

Tony Gearing, founder of Young People of the Year, said: "Rachelle is a truly inspiring young lady who despite her own personal tragedies has continued to support others. Dividing her time between personal studies, working, volunteering and the church. She is a positive role model to every young person out there."

Rachelle is currently studying at the College of Law in Birmingham where she will be undertaking training towards becoming a barrister.

Cyclists gearing up for charity fundraiser

BY JONATHAN REILLY
jonathan.reilly@hpnorthants.co.uk

A TOWCESTER cycling group is pedalling around the lanes of Northamptonshire in preparation for a charity bike ride.

The A5 Rangers Cycling Club, based on Watling Street, will be taking part in Cycle4Cynthia on Sunday, September 26 to raise money for The Friends of Cynthia Spencer Hospice and the county's branch of Macmillan Cancer Support.

Mick Holliday, the club's general secretary said: "Many of our members have taken part in the event before but this year we thought it would be great to enter a club team and hopefully raise a lot of money for these two fantastic charities."

"That's one of the joys of being a member of the A5 Rangers, aside from the security of riding with others, you can trust in the leader to know the route which means you're not stopping to check maps all the time and of course it's very sociable."

Club secretary Keith Mason said: "We go out for a good 25 to 30-mile ride on a Saturday morning, making sure we stop somewhere nice half way round for a coffee and a sticky bun for sustenance. Meanwhile Sunday mornings are for those who like their cycling a little more competitive."

Cycle4Cynthia's chairman, John Pinkham, is delighted that the club is taking part. He said: "This just goes to show what a fantastic day this event has become over the years in that it appeals to cyclists whatever their ability. With just a couple of weeks to go till the big day, there's still time to enter and so I would encourage everyone to grab their bikes and get involved."

The A5 Rangers Cycling Club team will be following the 50-mile route in this year's Cycle4Cynthia 2010 but riders in the event can also choose from a five mile or 25 mile route. All three routes will, for the third year running, start and finish at the home of the Northampton Saints, Franklin's Gardens. Entry is £10 for adults, £5 for children and £25 for families and entry forms and sponsorship forms are available by visiting www.cycle4cynthia.co.uk

More details are also available by calling 01604 678088.

Win tickets to watch the Saints

WE'VE teamed up with QBE, the specialist in business insurance, to offer you the chance to win tickets to watch Northampton Saints' next home game on Sunday, September 17.

Two winners will each receive a pair of tickets to Northampton Saints v Bath Rugby courtesy of QBE, Official Business Insurance Partner of Premiership Rugby.

QBE is delighted to be a partner of Premiership Rugby, the most competitive league in the world of rugby, attracting the best players and the highest attendances.

For your chance to win this fantastic prize, answer the following question:

Who is Northampton Saints current club captain?

Chris Ashton

Ben Foden

Dylan Hartley

The deadline for entries is 11am on September 14.

Send us your answer along with your contact

details, including your name, full postal address and daytime telephone number, to competitions@hpnorthants.co.uk. For

more information go to www.qbeurope.com

For the full terms and conditions go to www.northantshp.co.uk

Prize draws are a must for shoppers

WITH the return to school and end of the summer holidays is it time to refresh your wardrobe?

Then head to Debenhams, Northampton, to see its fantastic new autumn ranges now in store.

They have some fabulous brands such as Red Herring, Principles by Ben de Lisi, Betty Jackson, Black, J by Jasper Conran and Star by Julien Macdonald all for women, along with Jacques Vert, Oasis, Dorothy Perkins, Wallis and Warehouse.

For men, St George by Duffer, Jeff Banks, and Mantaray, as well as some of the ranges above. For kids there is Baker by Ted Baker, BlueZoo and J by Jasper Conran.

And the store is excited to be launching Matthew Williamson's first home interiors range - Butterfly Home.

This remarkable collection is exclusive to Debenhams and is available at Debenhams Northampton.

Julien
Macdonald

The store has teamed up with the Herald & Post to offer readers the exclusive opportunity to win back their spend at

Debenhams. Simply fill in your spend value, your name and address on a postcard plus a copy of your till receipt and hand it to a member of the wedding department.

The offer is for purchases up to £150 and the products must have been purchased during mega week (September 7 to September 11).

The draw will take place on September 18.

And that's not all. Readers who book a personal shopping experience with Debenhams, Northampton, during this month, to be taken in September/October, will be entered into a prize draw to win £150 of Debenhams' (own bought/non concession) products and receive a beauty makeover from a cosmetic house of your choice.

Once again fill in a postcard but hand it to the personal shopper team.

No members of Debenhams staff or employees of the H&P may apply.

Fundraisers look pretty in pink...

BY JODIE PARSONS

jodie.parsons@thpnorthants.co.uk

FIFTY diet and fitness club members will be in the pink when they exercise in aid of a good cause.

Rosemary Conley Diet and Fitness Club Northampton is taking on a pink aerobics challenge for Breast Cancer Campaign during Breast Cancer Awareness Month in October.

The group will push themselves to the limit with a two hour workout on Saturday, October 9 at Caroline Chisholm School in Wootton Fields.

Club franchisee Diana Thomson said: "This event is open to women of all fitness levels and they don't have to be a member of the Rosemary Conley club to take part."

Breast Cancer Campaign's aim is to beat breast cancer by funding innovative world-class research to understand how breast cancer develops, leading to improved diagnosis, treatment, prevention and cure.

To join in with the event contact Diana on 01604 638866 or email Dianathomson100@aol.com

Open day to show how police work

PEOPLE can get a taste of Northamptonshire Police's work at an open day later this month.

It will take place at Force headquarters in Wootton Hall on Saturday, September 25 from 11am to 3pm.

Residents are invited to attend the family event organised by the Operations Department of the Force's Protective Services Command which oversees the dog section, the police helicopter, emergency planning, casualty reduction partnership, the firearms team and the county traveller and wildlife officer.

The aim is to give the public a taste of the way the Force polices roads, catches criminals and responds to crimes, including demonstrations from the police dogs and firearms officers.

A battle for the board and Florence's heart

THEATRE

CHESS

Royal & Derngate

Tuesday, September 14 to Saturday, September 18

STRICTLY Come Dancing's Craig Revel Horwood directs an amazing company of actors and musicians in this new staging of the classic musical.

A West End and Broadway hit, Chess was written by Tim Rice and ABBA's Bjorn and Benny.

It boasts one of the greatest musical theatre scores of all time including One Night In Bangkok, Pity The Child, Anthem, You And I and I Know Him So Well - the number one hit from Elaine Paige and Barbara Dickson.

Two of the world's greatest chess masters battle it out at the world chess championships but their greatest contest is for the love of one woman.

Amidst political intrigue and international conspiracies, the

American and the Russian fight to win the heart of Florence Vassy in a romantic triangle that mirrors the heightened passions of the Cold War.

A superb cast of West End stars including James Fox (Fame Academy, Jesus Christ Superstar), Shona White (Wicked), Daniel Koek (West Side Story), Poppy Tierney (Mary Poppins, Aspects of Love, The Witches of Eastwick), James Graeme (The Phantom of the Opera) and David Erik (Dirty Dancing, The Phantom of the

Opera) lead an amazing cast of actors and musicians in this unmissable production.

Horwood has previously won huge critical acclaim for his thrilling productions of Boubliil and Schonberg's Martin Guerre, Spend Spend Spend, Hot Mikado and Andrew Lloyd Webber's Sunset Boulevard which transferred to the West End.

Tickets, £14-£36, are available from 01604 624811 or www.royalandderngate.co.uk.

Steph gets to wear those ruby slippers

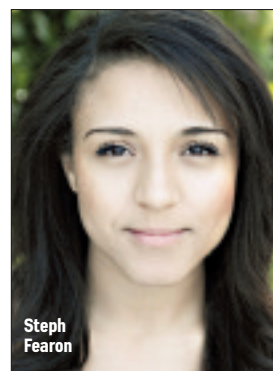

THEATRE

THE WIZ

Milton Keynes Theatre
Tuesday, September 14 to Saturday,
September 18

THIS Motown version of *The Wizard of Oz* stars Steph Fearon, one of the budding Dorothys from the BBC show that searched for the lead in the iconic musical.

The Somewhere Over the Rainbow semi-finalist will finally get her chance to wear those ruby red slippers as she takes to the stage as Dorothy in this production from Songtime Theatre Arts, one of the most widely respected theatre schools in London and the South East.

Steph Fearon

Steph will appear alongside the school's talented students, aged

eight to 18, who will play all the other roles.

Adapted from one of the best loved films of all time and the hit Broadway show, *The Wiz* is the Motown remake of *The Wizard of Oz*.

Featuring a mix of rock, gospel and soul, it is the winner of seven Tony Awards and was immortalised on film starring Michael Jackson and Diana Ross.

The Wiz picks up the story of Dorothy and her friends, the Cowardly Lion, Tin Man and the Scarecrow, as they again make their way to visit the famous Wizard.

ROSEMARY CONLEY DIET AND FITNESS CLASSES

Weigh in, work out, weigh less - *fast!* with Rosemary's Amazing Inch Loss Plan

FORMER ROSEMARY CONLEY SLIMMER OF THE YEAR TO OPEN A ROSEMARY CONLEY DIET AND FITNESS CLUBS FRANCHISE

For people wanting to be the proud owner of a wonderful new body, and for those wishing to lose weight, get fitter & increase their self-confidence, then help is at hand.

From 6th September 2010, Gill Butcher, from Wootton – the Rosemary Conley Diet and Fitness Clubs Slimmer of the Year 2009 – will run 10 Rosemary Conley Diet and Fitness Club classes throughout Duston, Kingsley, Kingsthorpe and Upton with the aim of helping hundreds of members to slim down and shape up.

Gill pictured here lost ten stone with the help of Rosemary Conley Diet and Fitness Clubs. Rosemary Conley, CBE, the UK's foremost diet and fitness expert has almost 40 years' experience of helping people to lose weight. She has built her reputation on carefully prepared, low-fat eating plans, combined with exercise.

"We are sure that Gill will make a complete success of her new business. She has recently completed an intensive training programme and her enthusiasm and dedication will be of tremendous assistance to members," said Rosemary Conley.

Gill Before

Gill After

"We believe that the support and encouragement that members receive in class plays a vital role towards their success in reaching their target weight. In fact, since we opened RCDFCs in 1993, over one-and-a-half million members have benefited from our winning formula for losing weight and getting fitter.

"Our members are always made to feel welcome and the atmosphere in class is friendly, fun and, above all, the expert diet advice, coupled with a safe exercise session, really works. Gill is fully qualified to teach exercise to music and she has been trained to adapt the sessions to suit any ability, so, even people who haven't exercised for a long time can join in."

The cost of joining a Rosemary Conley Diet and Fitness Club is just £10 for a membership pack, which includes a copy of Rosemary Conley's brilliant new Amazing Inch Loss Plan along with a set of Portion Pots®, an Introductory DVD explaining the Amazing Inch Loss Plan and a brand-new Rosemary Conley Magic Measure® which shows dieters how many inches they lose as they progress on the diet.

For a limited time only, membership is free and the weekly class fee costs £5.60. Members receive a consultation and weigh-in with the class instructor, a 5-minute motivational and informative talk plus a 45-minute exercise to music session.

O'Neil's surreal style in a must-see show

COMEDY**ANDREW O'NEIL, OCCULT
COMEDIAN**

Nook Cafe, The Fishmarket,
Northampton

Thursday, September 30

AFTER performing to massive crowds across the summer at the Download, Sonisphere and Bloodstock festivals, Andrew takes his stand-up show on the road for 25 dates across the country, including a visit to Northampton.

This show is billed as a 'must-see' after four successful solo

Andrew O'Neil

shows at the Edinburgh Fringe, three national tours and a sell out Soho Theatre run.

Andrew's surreal, political style has attracted the masses year on year in Edinburgh and has given him a cult following.

Occult Comedian is a show where whimsy meets the mysterious side of life. He intermingles his routines with enthusiastic comic monologues and his show unreels information and humour, detailing events such as interviewing Northampton's Watchman author Alan Moore.

He has starred alongside Steve Coogan in Saxondale and is a regular guest on Sky News and BBC Radio Five Live.

For tickets call 01604 639090.

COMEDY**SCREAMING BLUE MURDER**

Royal & Derngate's Underground

Thursday, September 16 at 8.15pm

THREE of the best stand-up acts around will be providing the laughs when the theatre's comedy club continues.

With residences at the Comedy Cafe and So Ho Ho and regular

appearances at the country's top venues including The Comedy Store, Jongleurs, The Glee Clubs and The Stand, Martin Davis' charismatic, sharp-minded banter is as good as it gets.

Northampton-born Andrew Bird has most recently been winning over audiences at this year's Edinburgh Fringe and has been critically acclaimed as 'one of the hottest prospects in stand-up'.

Wildly brandishing the world's second largest briefcase containing a battery of ridiculous props, George Egg performs one of the most original, interesting and innovative comedy

performances. He has been hailed as 'a Tommy Cooper for the 21st century'.

Tickets are £12 on the door or £11 in advance, from 01604 624811.

Village property has beautiful gardens and great open views

Towcester Road, Litchborough

THIS well-presented three-bedroom property, on about a third of an acre plot, backs on to open fields in this sought after South Northamptonshire village.

The property comprises 24ft lounge, dining room, kitchen, 21ft sitting room, separate office, utility room, downstairs cloakroom, en-suite to master bedroom, family bathroom and beautiful landscaped gardens. It benefits from double glazing, oil central heating and off-road parking for several vehicles. The property has the potential for a building plot or an extension, subject to planning. Viewing is advised.

THIS three-bed detached property would suit a couple or young family and benefits from a good-sized garden which also offers privacy with its trees.

It comprises a dual aspect lounge/diner which the current vendors use just as a lounge. It is accessed from the hall which also leads to the kitchen.

The kitchen has a range of wall and base units with electric oven, gas hob with extractor over, space for a washing machine and dishwasher and houses the boiler which the vendor states has been replaced.

A door leads out to the conservatory which is currently used as the dining room and offers access to the garden.

The first floor offers three bedrooms, two of which are double and the third with fitted storage. The bathroom has a white suite with a shower over the bath.

The loft is majority boarded with a pull-down access.

Outside, the rear garden is south facing, enclosed with a lawn and gravel area to the rear and a decking patio area behind the garage.

The driveway is block paved and has ample off road parking, leading to a single garage.

New show home wows buyers at Bellway's Rushden development

IT'S often difficult to imagine what it's like to live in a new home, which is why house builders are always keen to open a show home to enable visitors to experience the sense, excitement and potential that a new home offers.

Housebuilder, Bellway which is establishing a new residential quarter in the Northamptonshire town of Rushden has just opened its brand new Lutton show home to the public.

Comprising three bedrooms, the Lutton is priced from £167,995 and makes an ideal family home; the ground floor comprising kitchen/diner with French doors leading to the rear, living room and downstairs w/c. The first floor comprises three bedrooms, the master with an en-suite and the family bathroom.

The first phase of development will comprise a range of two, three and four bedroom family homes of which many will overlook a large green area of public open space.

Prices start from £127,495 for a Hartwell two-bed coach house including garage and private garden, the Bridstock two-bed house is priced from £139,995, a three-bed Islip home starts from £163,495 and a four-bed Titchmarsh home starts from £174,995.

First occupations are due to take place in December and buyers with a home to sell can take advantage of Bellway's part exchange scheme. First time buyers are being offered a 10 per cent interest free loan to assist with the mortgage deposit.

Situated off the A6 between Bedford and Kettering, Rushden is an attractive town featuring a range of shops and supermarkets.

In terms of leisure, the Splash sports centre offers a 25-metre pool and there are numerous health and fitness centres available.

There are a wide range of sports pitches/courts catering for the majority of activities. For families there are several infant, junior and senior schools in the area to choose from.

For commuters, Rushden is perfectly situated for access to the local major towns of Wellingborough, Kettering, Northampton, Milton Keynes and Bedford. The nearest main line station is at Wellingborough where there are regular services to London St Pancras and the Eurostar terminal is about an hour away.

For more information visit www.bellway.co.uk or call the sales centre on 01933 311758, open Thursday-Monday 10am-5pm.

Faculty of Education, Sport and Tourism

Visiting Lecturers in Education and Tourism

The Faculty of Education, Sport and Tourism at the University of Bedfordshire has a long and established track record of education and research in teacher training, education studies, tourism, leisure and sport management. Following a major strategic review and further investment, the Faculty has grown to approximately 4,000 students studying on 60 courses.

We invite applications from educators who wish to undertake part-time and sessional work on teacher training programmes in the university.

Those applying should have recent experience of teaching in schools or may currently be teaching in primary, special or secondary schools. It may be possible, in some cases, to negotiate short term or longer secondments from the school.

The type of work to be undertaken includes lectures, tutorials and visits to partner schools to review student progress.

We also invite applications from tourism and leisure management specialists who wish to support our growing portfolio of undergraduate and postgraduate tourism and events management courses.

Those applying should have recent experience of teaching at Higher Education level and have experience of working in the tourism industry. We are particularly looking for subject knowledge and expertise in research methods, sustainable tourism, tourism management, events and destination marketing.

The type of work to be undertaken includes lectures, tutorials, marking and project supervision.

You will be included on our visiting lecturer and consultants list and will be contacted as relevant opportunities arise.

Deadline for submission: 4.00pm on 24 September 2010 for successful applicants commencing in the Autumn 2010 term. Further applications however will be accepted throughout the year. Applications should be made by CV and covering letter addressed for the attention of Marilyn Leask, Dean of the Faculty of Education, Sport and Tourism.

Postal applications should be sent to the following address: Sarah Blomfield, PA to the Dean, The Dean's Office, University of Bedfordshire, Polhill Avenue, Bedford, Bedfordshire MK41 9EA.

Email applications should be sent to: sarah.blomfield@beds.ac.uk

DRIVE YOUR CAREER FORWARD

Sales Controller Wanted

You will join the current sales team of 2 business managers, 1 sales controller, 10 used car sales executives and a used car sales manager.

This is a rare opportunity to join Perrys Used Car flagship dealership in Milton Keynes with all the security and support you would expect from a company of this size. The ideal candidate must have a proven track record in vehicle sales control, coming from a successful, volume driven team.

This exciting position would suit a current cars sales controller looking to advance their career or a current sales manager looking to take a step back and share the pressure with a larger, established team.

Car Sales Executive Wanted

We are seeking an experienced used car sales executive to join our busy sales team. You need to be highly motivated and target driven with a clear focus on achieving high levels of customer satisfaction.

In return we will reward you with a company car and very high earning potential. The dual-franchised, high walk on dealership has sales execs who've been with us for over 20 years so if job security is important to you then we can offer you that as well. We also pay average commission for all holidays.

If you would like to apply for either position then call in to collect an application form or better still email your CV, salary and reasons for wanting to leave your current position to stompson@perrys.co.uk. Please state which job you are applying for. One application per person.

IT Business Systems Analyst - Nampak Europe

Nampak is a leader in packaging solutions, headquartered in Johannesburg, South Africa, with 23 manufacturing locations in Europe including sites in the UK, Germany, France, Italy, Netherlands and Ireland with its European Headquarters based in the UK.

Recent growth in activity has led to the creation of a new role within our Milton Keynes based IT team. The primary purpose of the role is to support the implementation and ongoing usage of Supply Chain applications across Nampak Europe operations. The role is specifically responsible for the support of the functional areas of estimating, sales order processing, procurement, logistics, planning, and manufacturing execution. In conjunction with other IT team members the role will also support integration with financial applications. Reporting directly to the Business Systems Manager, the successful candidate will work with Nampak sites throughout Europe to assist with implementation and application support. Previous experience of these systems is not necessary, as full training will be provided.

The ideal applicant will be of graduate calibre, preferably educated to degree level and will be able to demonstrate a strong enthusiasm and aptitude for working with IT systems, with some previous experience of working in an IT support environment. A working knowledge of one or more of the following European languages would be a distinct advantage: French, German or Italian. This role will involve extensive travel and a significant amount of time will be spent at Nampak locations throughout Europe.

The Nampak Europe IT infrastructure is based on Microsoft, IBM and Citrix platforms. Database systems include SQL, DB2 and Progress. Applications include Oracle JDEdwards Enterprise One, EFI Radius Vision, Qlikview BI, Microsoft Office, CAD, warehouse management and shop floor control.

Salary is negotiable, to £30,000 pa, depending on experience.

Applications should be made in writing to Stuart Deane, IT Business Systems Manager, South House 1, Bond Avenue, Mount Farm, Milton Keynes, MK1 1SW or emailed to stuart.deane@eu.nampak.com. Please include an up-to-date CV with your application.

You must be eligible to live and work in the UK and travel around Europe.

Closing date for applications is Friday 17th September 2010

Nampak is an equal opportunities employer and as such welcomes applications from every section of the community.

W.Grose 500 Club Winner:
Mr Farmer (Left)

ANOTHER winner has been rewarded for their loyalty in a special campaign at W.Grose of Kingsthorpe. The car showroom has launched a loyalty scheme for its Motability customers under the name W.Grose 500 Club. Their membership automatically enters them into a monthly prize draw to win £50 which increases to £250 in the December prize fund. Barry Berkshire, the Motability Specialist, said: "All our loyal Motability customers have been sent a 500 Club card (which has to be registered) with a unique reference number. Each month we will have a draw and once a month they can win £50 or £250 in December. It's a reward for their loyalty. We came up with this as a bit of a reward for staying with us."

The Sixth draw has taken place and been won by

Mr Farmer of Northampton who has won £50, a meal for four and evening of bingo from Beacon Bingo Northampton. Mr Farmer said on receipt of his prize 'Whether your renewing or new to the scheme Barry at W. Grose treats all customers equally. This is my tenth Motability vehicle from W. Grose and I am totally satisfied with the service I receive.'

The Motability scheme was set up by the Government to provide an allowance for disabled people. Those entitled to it can surrender their allowance for a car on the Motability Car Hire Scheme.

Get your brand closer to people's lives

No other medium is as close to people's hearts as Regional Press. Consumers consider it an integral part of their community. The effectiveness of regional press advertising in driving sales comes down to the simple fact that people prefer to do most of their spending close to where they live. Consumers' Choice V, a national consumer survey by TNS Media, found that regional press advertising is the most frequently acted upon, with 61% of people responding to it! No wonder brands enjoy a closer relationship with consumers when advertised in this, the most trusted and effective medium of all.

No complaints from Ian as Town hit by late goal

FOOTBALL

ALDERSHOT Town's Recreation Ground has not been a good place for Northampton Town to visit. Last season they lost 2-1 after leading thanks to a controversial retaken penalty and a late winner for the hosts.

On Saturday they were held to a 1-1 draw by the Shots after Ben Harding equalised in the dying seconds and that goal was not without controversy.

The Cobblers looked set to be on course for their first win of the season in League Two thanks to Billy McKay's 34th minute strike.

Referee Graham Scott then indicated to his fourth official that a minimum of four minutes added time would be played, only for Harding to equalise in the 95th minute.

Boss Ian Sampson was naturally annoyed by the turn of events but refused to criticise Mr Scott, who it must be assumed bought his watch from a jewellers in the vicinity of Old Trafford.

"With ten seconds to go I was gathering my thoughts to praise a very good win and then they scored with the last kick and that was a real sickener," said Sampson.

"I can't complain about the extra time the referee played. We had the rub of the green with a late goal at Reading and we had to see the game out for another ten seconds."

Northampton are fast becoming the League Two draw specialists, with four of their five opening games having finished level and the other being a sole defeat on the first day of the season.

But standing in their way of securing a first league victory at Sixfields on Saturday are bogey side Southend United – a team the Cobblers have failed to beat since November 2003.

That day a lone strike from Paul Trollope settled the contest at Roots Hall in Northampton's favour, but the ten games since then have either finished drawn or with the Shrimpers coming out on top.

The match is also likely to see the return to Sixfields of Peter Gilbert, who left the Cobblers under a cloud after failing to sign a new contract in the summer.

Left back Gilbert subsequently moved to Southend, featuring in their last four matches after suffering an ankle injury during pre-season.

"It is very disappointing to still be searching for that first win," said Sampson.

"I thought we were solid and we created a few chances and I thought we had got our first win. We didn't perform on Tuesday night (against Hartlepool United), but we responded in the right way here and we need to get those three points on Saturday."

UCL ROUND-UP

SATURDAY

FA VASE FIRST QUALIFYING ROUND

ALFIE Taylor's extra time winner put Cogenhoe United into the second qualifying round as they eventually saw off Rothwell Town 3-2.

Taylor had put the Cooks ahead on 24 minutes at Cecil Street, but Jouell Potter evened things up for the hosts just four minutes later. Cogenhoe retook the lead one minute before the interval through Sam Heavey, only for Gary Chambers' 52nd minute penalty to ensure the match went to extra time.

Taylor got his second of the match 12 minutes into the extra period which set up a tie at home to Long Melford/Fakenham Town on September 18. Northampton Spencer's Vase campaign came to an end at the first stage as they went down 4-0 away to Haverhill Rovers.

DIVISION ONE

SILEBY Rangers came out on top in the Northampton derby as they defeated ON Chenecks 2-1 after coming back from being a goal down. Elliott Muddiman got

Chenecks' opener on 25 minutes, with Nick Worley levelling for Sileby on 35 minutes. Jack Bartley got the winner for Rangers 20 minutes from time.

Bugbrooke St Michaels also came from behind to win 3-2 away to Olney Town in an ill-tempered game that saw three players sent off. Stewart Allen and Sam Parrish put Olney two goals up in the first 25 minutes, before Matthew Old was shown the red card.

Two strikes from Lance Allen on 55 and 70 minutes, with Dean Ainsworth coming off the bench to win it for the Badgers ten minutes from time. However, Ainsworth was dismissed along with Olney's Danny O'Farrell during the closing stages of the game.

TUESDAY

PREMIER DIVISION

PAUL Caswell was on target twice as Irchester United ran out 3-0 winners over Northampton Spencer at Kingsthorpe Mill.

Caswell opened the scoring for the Romans on eight minutes, adding a second on 37 minutes. Shaun Goodall completed the scoring for the visitors 15 minutes from full time.

slotting over a penalty to put them 17-3 up at the interval. But the second half proved to be a much better one for the home side. They were able to keep Longton at bay before Charlie Barker went over in the corner for a try inside the final ten minutes and Rose converted to secure a point.

Soane doubles makes mark on

BY MARC BAZELEY

marc.bazeley@northantshp.co.uk

WHO needs backs when you've got try scoring props? Stand up and take a bow Soane Tonga'uiaha and Brian Mujati, who both went over as Northampton Saints opened the new Aviva Premiership season with 27-19 victory at home to Leicester Tigers.

Two tries from Tonga'uiaha – the first a classic forward's try, diving over from close range, with the second seeing him burst through a gap in the defence – put the hosts into a 14-0 lead inside the first five minutes that they never surrendered.

Mujati then made victory in the East Midlands Derby all but certain on the hour when he went over in the corner, and Jim Mallinder is keen for more of the same.

"Tonga'uiaha's a massive threat, but it's what we want from our forwards," said the Saints director of rugby, adding: "We want them good in the tight and Mujati backed that up."

"We were very pleased with all of our tight five forwards – not just in the front five play, but also in the combinations around the field. To see both props scoring tries is pleasing."

The first two tries came from Northampton ploughing through the heart of the Tigers defence, although Mallinder admitted afterwards that was not a deliberate play.

He said: "It wasn't really the plan, you've just got to run at their weaknesses and if they decide to fan out

then you've got to go through the heart of them."

"That's what we did for those tries and when they do start defending a little bit tighter then you've got to go wide."

"I thought the start was a cracker. It was a good combination of forwards and backs, some real good lines and support play, so I was really pleased to get off to that start."

A penalty from Stephen Myler extended that lead after he had converted the two tries, but from that point on the fly half struggled with the boot before being replaced by Shane Geraghty.

The missed kicks, plus a converted try from Alesana Tuilagi, meant the hosts led 17-7 at the interval and Myler was hauled off soon after missing his fifth penalty attempt of the afternoon.

Replacement Geraghty started the move that led to Mujati's try, which he converted from out wide, and also added a penalty. Despite two late tries from Scott Hamilton, the Saints had done enough to get their season off to the perfect start.

Once again Mallinder is faced with the choice of Myler or Geraghty at number ten for Saturday's trip to Harlequins, but it is not a decision he minds having to make.

He said: "Stephen got the nod because he had a really good trip with the Saxons and has come back into pre-season confident, playing well in our games."

"Shane is a talent as we saw and that ability to hit the short side, which created the Mujati try with the Phil Dowson offload, and then to kick the conversion puts a lot of

pressure on and makes it a good choice for me.

"You can't hide the fact that Stephen had an off-day with the boot, a little bit like them because they missed a number of penalties. But if Stephen had kicked his goals then we would have got well away from them."

Wakely can't wait for next few years after agreeing new deal

CRICKET

ALEX Wakely and David Murphy will both be staying at the County Ground for at least another two years after agreeing contract extensions that take them up to the end of the 2012 season.

The pair are both graduates of the Northamptonshire Academy and have been rewarded for their performances during the present campaign with new deals.

Former England under-19 captain Wakely has enjoyed the best season of his career in first class cricket, scoring 600 runs at an average of 33.

He said: "I feel that my game has moved in the right direction this year and I am looking to continue that over the next two years and push to get Northants into Division One of the Championship.

"The side at the moment is very balanced with a great mix of youngsters and senior players so I can't wait to be a part for the next few years at the County Ground, which should be very exciting and fun."

Meanwhile, Murphy has taken over from Niall O'Brien as wicketkeeper while the Ireland international has been injured and the 21-year-old, who has also featured for Loughborough University, has impressed with the bat and behind the stumps.

"I've enjoyed every minute of it so far and long may that continue," he said, adding: "I've performed well this year since being given the opportunity and I feel I've contributed well to the team cause.

"I just want to continue to improve and become a valuable member of the first XI in the years to come."

Northants head coach David Capel is delighted that they have been able to tie both players down to new contracts and believes there is plenty more to come from them.

He said: "I'm pleased that Alex has signed an extension. He is a young cricketer who has been given a lot of opportunities, batting in the top order.

"We have seen some good signs of progress and I'm delighted that he's happy to sign a two year deal with us.

"I've been particularly impressed by David's glove work, he has produced some quality performances and taken his opportunities well.

"A lot of people in the game have said how impressed they are with his hands behind the stumps, especially standing up.

STAYING: Alex Wakely

"He has also shown that he has the capacity to be a valuable component of the batting line-up."

Northants have also announced that David Wigley, Vishal Tripathi and Paul Harrison have all been released from their playing contracts.

Wigley has been at the County Ground for five years, but has struggled with injury recently which means his appearances have been limited.

Tripathi and Harrison both joined the club at the start of the season. However, both have failed to break into the first team.

The Steelbacks ended their Clydesdale Bank 40 campaign with an 82 run defeat at home to Gloucestershire Gladiators on Saturday.

Centuries from James Franklin (108 not out) and Chris Taylor (105) helped the visitors to 268/4 from their 40 overs, with Northants only able to manage 186/9 in their reply. Stephen Peters top scored for the hosts on 56.

Monza was mystery to Tonio until he made the grid

FORMULA ONE

TONIO Liuzzi never visited Monza as a child. In fact, his first visit to the circuit was not until his debut season in the old Formula 3000 series seven years ago.

This might make an Italian motorsport fan unusual, but in the case of Force India driver Liuzzi it was simply down to him being so focused on his own racing career.

"I never went to watch an F1 race before, so I had never been there," he said, adding: "As I've said in the past, when I was karting for me there was just the karting world.

"I was following F1, because I was a fan of Nigel Mansell, but I didn't see a race live. The first year in F3000 I finished fourth with Coloni, and then in 2004 I had pole and won the race with Arden."

It was at Monza last year that Liuzzi made his return to racing in Formula One after stepping up from being the Silverstone team's test driver to replace Giancarlo Fisichella.

He qualified seventh at his home race in 2009 before being forced to retire with a broken driveshaft and he is keen to make amends for that disappointment.

Liuzzi said: "Now this year, as always, we want to perform, especially after last year. But it's also not just that, or because it's my home crowd that I want to do well, I also want to get the result we deserve this season.

"We have narrowly missed out on really good results for a number of reasons this year, so I want to pull it all together. And if it's at Monza, it's true that it will be even more satisfying.

"The signs so far are good - the aero test

we did showed a big improvement, the car is already strong and we've got a good programme for the race weekend in place."

Team-mate Adrian Sutil secured his highest-ever finish in F1 in last year's Italian Grand Prix, coming home fourth, and he is eyeing a repeat performance.

"Of course there's a huge championship battle going on ahead of us so getting towards the front isn't going to be easy, but I'm confident, the team has got its momentum back after the double points finish in Spa and we're all going to Italy very optimistic," he said.

"We don't have the top speed advantage we had last year so it's going to be another close weekend, but we do know that we are amongst the quickest and that gives us a big chance to be in Q3 and then getting in the points."

NCL ROUND-UP

RICHARD Kaufman's century helped Old Northamptonians to a surprise four wicket victory over Northamptonshire Cricket League Premier Division leaders Finedon Dolben.

The ONs opted to field first at Avenue Road, with Greg Evans' 78 helping Finedon to 250/6. Clint Tomlinson also made 48 from 43 balls before being run out. But Kaufman's 144 in reply helped set up the win for the visitors, who secured the triumph with one over of the match to spare.

Andy Reynoldson passed 1,000 runs for the season as Northampton Saints defeated Brixworth by eight wickets at home.

They were able to restrict the visitors to 184/9 from their 55 overs after winning the toss and bowling first, with Richard Stemp taking 3/42. Reynoldson's 93 not out then helped Saints to victory in 36.2 overs, with skipper Chris Park also scoring 47 not out.

Northamptonshire Cricket Academy were frustrated at home to Wollaston and had to settle for a winning draw.

The hosts finished on 197/8 after choosing to bat first, with Saif Bhojani falling two runs short of his maiden half century for the Academy. Matthew Jones then made 53 for Wollaston as they closed on 189/6 from their 55 overs.

OTHER RESULTS

Rushton (223/8, Jonathon Carpenter 58 not out) drew with Peterborough Town (265/5, Asim Butt 85, David Clarke 63); Stony Stratford (212 all out, Paul West 70, Dion Ebrahim 59, Paul Hughes 6/50) beat Burton Latimer (149 all out) by 63 runs; Wellingborough Town (125 all out) lost to Rushden Town (128/3) by seven wickets

Sammo signs McKenzie but wants another striker as cover for injured Purcell

FOOTBALL

LEON McKenzie has signed for Northampton Town on a free transfer, with the 32-year-old agreeing a contract with the club until the end of the season.

McKenzie shot to prominence during his time with Peterborough United, where he scored 49 goals in 103 games after originally impressing at London Road during a loan spell from Crystal Palace.

He has been out of contract since leaving Charlton Athletic in the summer and Cobblers manager Ian Sampson was delighted to have secured his signature.

"He is an experienced striker with a good goalscoring record playing at a higher level," he said.

"We have been struggling for goals and Leon will come in to try and change that. We have been looking to add to the squad and Leon fits the bill.

"He has got an excellent CV and a good pedigree and he has a hunger to get back amongst the goals.

"We have been talking for a few days and he has been training with us and I am pleased we have got things sorted out. He is a player I have been looking at for a while and the cup run has allowed us to bring him in."

DELIGHTED: Ian Sampson

McKenzie began his career at Palace, before moving to Peterborough in 2000 where he enjoyed a prolific three year spell.

That was followed by a move to Norwich City in 2003, where he stayed for a further three years until Coventry City shelled out £1million to bring him to the Ricoh Arena.

A free transfer to Charlton followed last September, but McKenzie was limited to just 14 substitute appearances in all competitions for the Addicks.

With Tadgh Purcell out for the season, Sampson is still keen to bring another striker to the club and is also hoping to bring another defender to Sixfields.

Dickson backing Saints to break Harlequins duck

BY SIMONE CORGAN
sport@l5nmedia.co.uk

LEE Dickson is desperate to end Northampton Saints, six year duck at Harlequins this Saturday.

The Saints have suffered severe travel sickness at The Stoop and have not won at the ground since 2004.

But a buoyant Saints outfit, on the back of a magnificent East Midlands derby win over Leicester Tigers, will head to London full of confidence and expecting to take something from Harlequins, who drew with Wasps on the opening day at Twickenham.

Speaking yesterday the scrum half said: "We've had two bad performances down there now we realised what we've got to do, and we've got to go down there and do it.

"We have to play with the same intensity we do here away from home this year, not just Quins but where ever we go because there's never going to be an easy game as we saw with Exeter. We've got to have the right mind set.

"Quins are a very good team.

"Away from home we've got to do our basics right, kick our penalties and get points when we're in their half and hopefully the rest will take care of its self."

All eyes will be on the battle at number nine on Saturday with Dickson going head to head with England

scrum half Danny Care. And with Martin Johnson an onlooker last Sunday, Dickson may have the opportunity to force his way in to the England manager's Six Nations plans.

He said: "I'm not really thinking about that, I'm thinking about myself. He's a great player in his own right, we know what he's about but I'm just concentrating on myself and my game, and driving this team forward rather than things that I can't control.

"Everyone knows my game, I'm a passer if I can get to the ball quick enough that's how we want to play we want to play with quick ball. I hope I've matured enough with my kicking game.

"I've worked on it quite a lot it's just the opportunities to use it. We've got a good kicking team, quite a few of us can kick it was just an opportunity at the weekend for me to kick."

Dickson was also quick to dismiss any doubts about Stephen Myler's confidence.

Myler failed to convert 18 points against Leicester but Dickson says he will find his form.

"He's fine he's a confident guy," Dickson said, "Stephen Myler is one of the best kickers in the Premiership, as everyone in the world does he had an off-day but it didn't affect how he played around the pitch.

"He was barking orders and playing very well which is great, the kicking doesn't stop him from doing the team things.

"Everyone has an off day and I'm sure he'll be back playing this weekend as usual."

A part-time route to Working with Horses

There is an alternative to full-time education and training that may suit those who prefer 'hands on' experience and who want or need to be in employment.

The Apprenticeship option allows students to get the best of both worlds; gaining a nationally recognised qualification whilst earning a wage. The majority of the learning takes place in the work place, with supervisors and employers training students as situations naturally arise.

Students gather photographic evidence and witness statements to demonstrate the jobs they have completed, and attend college one day a week to receive their more formal training, and to build a portfolio to evidence the work they have completed on a day to day basis.

Equestrian apprentice Frances Pritchard said; 'this course has allowed me to gain a qualification whilst working. I did not want to attend a full time course when I left school as I felt I learnt better in a practical environment and would struggle with a full time programme. I have gained so much confidence since completing the course and now feel able to set my goals higher and continue my studies.' Frances will now enrol on a full time Diploma course at Moulton College in September, which is something she did not feel able to do before completing the apprenticeship.

Krista Rayner, Apprenticeship Course Manager said 'The apprenticeship is made up of a main qualification along with key skills, and additional qualifications such as first aid, safe manual handling and employment rights and responsibilities certificates, which are all transferable skills that can be used in any industry. Apprenticeships allow students to 'earn while they learn'

For more information on Apprenticeships contact The Workbased Learning office or Student Services on 01604 491131 email: enquiries@moulton.ac.uk or visit www.moulton.ac.uk

A Career in Construction?

Construction is a career you can take with you, whether home or abroad.

The Construction Industry is one of the largest employers in the UK with a labour force of over two million people. With Government proposals to increase the number of Apprenticeships, now has to be the time to train for a career to help meet this demand for more homes.

Working in the Construction industry can be very rewarding financially but also provides the satisfaction that comes with being able to say "I helped to build that". It also provides the

opportunity, for those who are ambitious, to progress from being a tradesperson to carrying out a professional role within the industry.

Moulton College offers superb facilities together with experienced, professional staff and students can study full time, part time or by a combination of both routes to complete their qualification.

Courses include brickwork, carpentry & joinery and plumbing & heating - all available either at the Moulton campus or at the Vocational Skills Academies in Higham Ferrers, Silverstone and Daventry. Stonemasonry is available on the Moulton campus and Wall and Floor Tiling at Higham Ferrers.

At the recent Skill Build UK regional finals, Moulton College students achieved success in Brickwork, Wall & Floor Tiling, Carpentry, Bench Joinery and Stonemasonry. For further information contact Student Services on 01604 491131, email: enquiries@moulton.ac.uk or visit www.moulton.ac.uk

Students benefit from facilities that offer 'National Accredited Certificate Scheme' qualifications

The Gas & Energy Centre at Moulton College offers a modern, professionally approved training and assessment facility that provides an opportunity for local employees to work towards formal Gas qualifications.

The centre trains and assesses under the 'Accredited Certificate Scheme' providing the necessary

qualifications to join the Gas Safe Register, which replaced Corgi Registration in 2009.

Facilities at the Centre include self-contained assessment bays equipped with gas meter, central heating boilers, fires, water heaters and cookers.

The Gas & Energy Centre also offers LPG gas training by qualified and experienced members of staff, with a combined wealth of knowledge of the gas industry.

Back of the net!

General Education students from Moulton College demonstrated their team skills by winning the knock out cup at the East Midlands finals of the Ability Counts Football League, thus qualifying to play in the National Championships at Loughborough University.

And in recognition of their success, the delighted Moulton team went on to win the Chronicle and Echo Sports Achievement Award for 2010.

Ability Counts is organised by British Colleges Sport, to enable students with learning difficulties to compete and play football against other colleges. The involvement with team sport

HORTICULTURE AND ARBORICULTURE AT THE ACADEMIES

From September, Moulton College will offer Arboriculture courses at the South Northants Vocational Skills Academy (SNVSA) in Silverstone, and Horticulture courses from the East Northants Vocational Skills Academy (ENVSA) at Higham Ferrers.

The academy at Silverstone provides first class teaching resources including classrooms, an Arboriculture workshop and Learning Resources Centre. Students will enjoy the same high quality provision as learners on the

Moulton campus, but will also benefit from the smaller, more personal environment. Additionally many learners will have reduced travel costs by being able to attend a location closer to home. The new build centre in East Northants also offers

Horticulture learners similar benefits associated with studying in a smaller but very well equipped learning environment, and for many this Centre will also be closer to their homes.

Learners at both SNVSA and ENVSA have achieved excellent success rates and it is anticipated that Arboriculture and Horticulture learners will be the next phase of the East and South Northants success stories.

Training for Plant Operators to Industry Standards

What is CPCS?

The Construction Plant Competency Scheme (CPCS) is the largest and most widely recognised card scheme for the plant industry. It helps to demonstrate the operating skills and health and safety awareness of construction workers and is recognised by the Major Contractors Group (MCG) and Major House Builders Group (MHBG) as the preferred card to comply with codes of practice for competence and certification.

For anyone wanting to operate plant machinery on a construction site, a CPCS card is essential.

How to obtain a CPCS Card?

1. The CPCS Technical Test consists of a practical test of machine handling ability and a theory test. Moulton College provides training to ensure each individual is fully prepared for the test. This can range from 1-10 days depending on prior experience and the type of machine being tested.

2. Successful completion of the above tests will produce a Red Trained Operator card, now valid for two years, and allows operators to work on-site.

3. In order to extend the Red Trained Operator Card into a more permanent Blue Competent Operator card the individual must obtain a Vocational Qualification within 2 years. Moulton College can offer a City & Guilds accredited Vocational Qualification to enable attainment of the Blue Card

Why Moulton College?

Moulton College is an accredited CPCS Assessment Centre and City & Guilds Approved NVQ Centre. The College has a dedicated plant training facility located on campus containing up-to-date:

- 360 and 180 degree Excavators
- Forward tipping dumper
- Rough Terrain Telescopic Forklift
- Industrial Reach and Counterbalance Forklift
- Mobile Elevated Work Platform

All the trainers are qualified professionals who ensure that not only do clients pass the relevant industry assessment, but that they are "work ready" for the demands of every-day plant operation. The practical aspects of the courses are carried out on a purpose built driving area to ensure realistic simulation of a working environment.

For more information please contact Student Services at Moulton College on 01604 491131, email: enquiries@moulton.ac.uk or visit www.moulton.ac.uk

Employment Counts in Landbased Education

Landbased students are provided with an enriched learning experience at Moulton College

Not only do they work towards a nationally recognised qualification, but they have the opportunity to achieve industry recognised competency certificates in tasks such as Pesticide Application, Forklift Truck Operation or Chainsaw Use; they also follow programmes to improve their numeracy and literacy skills and gain invaluable experience and increase their employability by working at one of the College's many commercial enterprises.

But it doesn't stop there – coupled with an extensive tutorial programme which includes health talks from the college nurse, religious awareness discussions with the college chaplain, and opportunities to undertake community projects or fund raising for local and national charities. Add the opportunity to take part in sports and clay pigeon shooting events, landscape and other skills competitions, educational visits and study tours, and the whole experience helps to develop

a well rounded individual with a range of essential 'life skills' in addition to a formal qualification. The total experience maximises the students' chances of gaining secure employment - all too important in the current climate.
